Members must be in good standing (i.e., dues paid in timely fashion) in order to benefit from our special events and networking opportunities. Annual dues for the year are invoiced at the start of January, and payment is due no later than three days prior to the Annual General Meeting, which is normally held the last Wednesday of January.

So that you do not have to worry about any deadlines being met, we offer a SEPA direct debit system with German bank accounts. This also helps lower the administrative costs of your club. If you would like to participate, please send an e-mail to: admin@agbc-munich.com

The AGBC is organized as a Club (*Verein*), and we follow German law for club membership (*Vereinsgesetz*) as outlined in our AGBC Munich Chapter bylaws (*Satzung*).

Membership begins at the start of the month of acceptance. The membership fee is payable in advance and covers the current calendar year or the remainder thereof. If membership commences in the course of the calendar year, the membership fee is payable by the first day of the month following reception of the written membership approval.
